2020 Edition

Dr. Armie F. Jesalva
Founder, Pastor Emeritus, Bible Baptist Church

Mrs. Liberty Jesalva
School Administrator (1978-2015)

Cebu Bob Hughes Christian Academy was born in the mind of our late missionary, Bob Hughes, five years before it was actually started. He was so concerned about the education of the children of Bible Baptist Church that he spent a lot of time praying for it and asking God for the possibility of training our little ones based on Bible principles. He imagined children running around our church campus.

Dr. Bob Hughes was promoted to glory in 1976, but God left the school idea in our hearts. We finally started in June 1978 with 80 students and four committed volunteers – Mrs. Jesalva, Mrs. Sarah Soria, Mrs. Daisy Saja and Miss Pie Navaja. Since the curriculum Accelerated Christian Education (ACE) was new to us, we submitted for training under the tutelage of Dr. Donald Howard, pioneer and founder of ACE Philippines. We have come a long way, enjoying the blessings of seeing, out of our graduates, pastors, doctors, lawyers, nurses, dentists, teachers and many others.

We are celebrating 40 years of God's faithfulness and excitement of overseeing 230 students under the custody of our principal, Mrs. Priscilla Rustila, 25 hardworking teachers and our new administrator, Mr. Curtis Motsinger, from Liberty University, Lynchburg, Virginia.

Pastor Kent Jesalva
President and Senior Pastor, Bible Baptist Church

As the winds of change continue to blow in our world today, the needs of our children have never changed. Their education is our first priority. The education of the heart has always been the core of CHRISTIAN Education.

We want to consistently focus on instilling God's Word – the principles and precepts of the Word of God into the hearts of our children in a way that will fit their level of learning and living.

Thank you for choosing Cebu Bob Hughes Christian Academy and helping us achieve this vision for our children.

Curt and Arli Motsinger
CBHCA Administrator and Liaison

Just like Esther, God has worked in all our lives to bring us to this point in both place and time for “such a time as this.” As we celebrate our 40+ years of schooling, we reminisce a cherished history and eagerly anticipate a dynamic and visionary future. Equipped with new vision, mission and overall spiritual direction of our newly elected pastor, Kent Jesalva, my wife Arli and I are leading the administration, faculty and staff to strive for excellence in every area of the educational experience. As we develop new strategies to improve the educational process, we remain true to the founding principles by sticking to our clearly defined mission, vision and frequently articulated core values. These core values permeate the curriculum with over 90 character traits and over 100 memory verses every year. It is also our commitment to these values, taught in the pages and verses of the Bible that guide us in our development of policies and procedures of this handbook.

Ephesians 4:3-6 implores us to be "endeavouring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all." Our commitment to this unity ensures a healthy and peaceful atmosphere for Christian learning to flourish. Thank you, parents and students, for the part you play in keeping the unity of the Spirit in the bond of peace.

Mrs. Priscilla V. Rustila
Principal

Cebu Bob Hughes Christian Academy's reason for its being is to obey God's instruction, *"Train up a child in the way he should go; and when he is old, he will not depart from it."* (Prov. 22:6)

I can claim with all confidence that CBHCA is a true Christian School because the Bible is not only one of the subjects only but the Word of God itself is interwoven into every PACE of every subject. Each PACE teaches one of the 90 character traits of Jesus Christ.

The school produces academic excellence – as evidenced by her graduates who are successful in their careers. But more than the academics, the school gives further emphasis on building the students' lives and character so that they become moral citizens and Christian leaders who will impact their community and our country for the glory of God.

Dr. Ruth G. Mercado
Principal for Senior High

It is about knowing what we want our children and students to become. When we send our children to school, we do so with the purpose and belief that they are trained and fed with knowledge, wisdom, understanding and skills. When we choose to send our children to be educated in Cebu Bob Hughes Christian Academy, we do so with the purpose and belief that they are imbibed with a grounding of Godly values and the Christian spirit. Even so, have we considered what we want our children to become long after they have finished junior high, senior high and college?

In Cebu Bob Hughes Christian Academy, we help you make the choices and understand the options of what you want your children to become for them to be relevant to community and humanity. People are technology and technology moves with people. When we say people are technology, we see a metaphor of a human being as the sum total of the technology of God's creation. Like a machine, a man has bones, parts and a physique that gives him the agility to move. But unlike a machine, a man has the mysterious workings of the brain that thinks and invents. Unlike a machine, man has the miraculous functioning of the heart to make him discern. Education and literacy predicates what a man becomes of the technology God created him to be.

People are technology and technology moves with people. We may build infrastructures, but we need people with strong leadership inspired with the character of the Lord Jesus Christ to undertake the designing of infrastructures for good use. We may build bridges, but we need people who have the spirit of compassion to discern and resolve contradictions that come with running organizations. We may build economic powerhouses but we need people who are sensitive to relationships and understand what it means to love community more than self. People are technology but technology needs to be tempered with the heart and mind of Christ to make this relevant to community and humanity.

What do you want your child to become? Let us help you know your options. At Cebu Bob Hughes Christian Academy, we help you track that vision.

WHY A PARENT AND STUDENT HANDBOOK

This Parent and Student Handbook was created and crafted for three things. First is to serve as guideposts for parents and students in the operations of the school. Second, as a roadmap of the policies of the school. Third, as a digest of how to go about the system of learning under an Accelerated Christian Education.

This handbook has been so styled and written in a procedural way. It contains information on Admission Policies, Enrollment Procedures, Retention and Promotion Policies, Evaluation and Motivation Tools, Awards and Incentives, Code of Conduct and Disciplinary Action, and Policies on Extracurricular Activities.

This handbook is a living document of the existence of Cebu Bob Hughes Christian Academy. While there may be questions and clarifications that may be encountered in the implementation of its policies, all these will be resolved within the spirit of its vision and in the promotion of its mission.

CEBU BOB HUGHES CHRISTIAN ACADEMY HISTORY

Bob Hughes Christian Academy is one of the ministries of Bible Baptist Church. The school offers holistic training designed to develop the spiritual and academic qualities of its students.

It was in 1978 when Dr. Armie F. Jesalva founded Bob Hughes Christian Academy. The aim of putting up a school as one of the ministries under the auspices of Bible Baptist Church Cebu City was to carry on the vision and legacy of American missionary Rev. Robert "Bob" Hughes.

The school was named Bob Hughes Christian Academy as a tribute to Rev. Bob Hughes who founded Bible Baptist Church Cebu City in 1957. It was the vision of Rev. Hughes to have a Christian school that would train boys and girls of the church. When Rev. Hughes left for the US, the torch of leadership for the growing church was passed on to Dr. Jesalva, a medical doctor who gave up the medical profession in 1969 to become full time pastor of Bible Baptist Church.

Since Bible Baptist Church was founded in 1957, it took some 21 years for the vision of a Christian school to take shape and come alive as Dr. Jesalva saw the vital contribution a Christian school would have in educating and training boys and girls in God's ways.

In 1977, Dr. Jesalva heard of the Accelerated Christian Education Curriculum, an individualized, non-graded program from the United States. He also learned that the program's formulator and founder, Dr. Donald Howard was in the Philippines promoting the program and conducting training.

A meeting with Dr. Howard convinced Dr. Jesalva of the soundness of the program. He was especially impressed with how the ACE curriculum placed importance on building the character and strengthening the spiritual life of children. He believed that it was God's plan to put the program in place in Bible Baptist Church.

Although the school was subsidized with church funds, it still encountered financial constraints. Being a man of vision and faith, Dr. Jesalva sold his car to finance the training of the staff in Manila, the construction of student offices, the buying of school materials and supplies and the payment of staff salaries. The core staff included Dr. Jesalva as principal, his wife Mrs. Liberty Jesalva as the Supervisor, Mrs. Sarah Soria, Mrs. Daisy Saja and Miss Rafaelita "Pie" Navaja as monitors.

In 1978, the core team worked with the Ministry of Education, Culture and Sports to obtain a permit to operate. The school was organized and was granted recognition by then Ministry of Education, Culture and Sports. Named, Bob Hughes Christian Academy, the school was formally found and made fully operational in 1978 with 80 students. Of this number, 20 were in the Upper Level and 60 in the Lower Level. A year later, a pre-school was opened with the name, "The Self Pronouncing Alphabet." (SPA) During this time, the school became the second Accelerated Christian Education School nationwide. In 1981, BHCA produced its first batch of graduates.

Through the years and with the increase in student population, more buildings were constructed. In 1998, construction started for a three-storey building. Upon its completion in 2002, the building was able to house six learning centers, two offices, a mini library, and an Audio Visual room.

For some forty years, some 600 graduates completed their secondary education at Bob Hughes Christian Academy.

The school changed its name from Bob Hughes Christian Academy in 2019 to Cebu Bob Hughes Christian Academy with the creation of a new set of officers under the Securities and Exchange Commission.

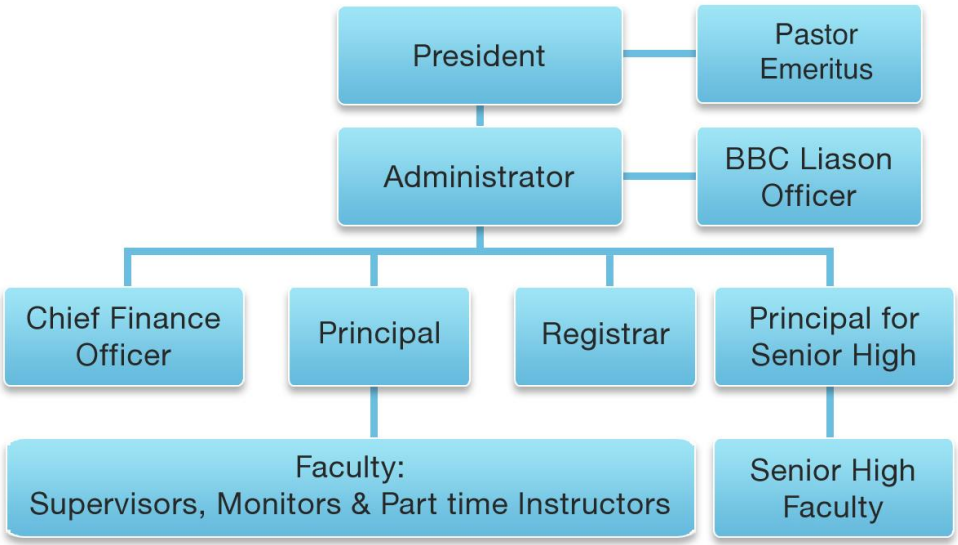
Organizational Chart



SYSTEM OF LEARNING

The system of learning at Cebu Bob Hughes Christian Academy is unique in that it balances School of Tomorrow System and the Basic Education Curriculum prescribed by the Department of Education.

While Cebu Bob Hughes Christian Academy operates and uses the School of Tomorrow System, the school has taken great care to meet and comply with the standards of learning of the Department of Education. CBHCA is a recognized private school for Basic Education by the Department of Education with school ID No.: 404482 and Government Recognition No.: A.R.714 s. 1982 35866 for the Secondary Education and Pagkilala Ng Pamahalaan, Bilang 021 s. 1982 55330 for the Elementary.

The School of Tomorrow System is an individualized, Biblically-based education, total package, self-instructional curriculum covering all grade levels and core subjects from Kindergarten to Grade 10 or Junior High. The SOT System

anchors its core curriculum in providing students with academics, skills building, reading, character and wisdom training and knowledge of God and His Word.

In developing thinking skills and in creating mastery learning, students learn or work with a series of self-instructional workbooks called PACEs or Packets of Accelerated Christian Education. These are progressively graduated so that new concepts are built on previously mastered competencies. A passing mark of 90 percent for K2, grades 1 to 3 and 88 percent for grade 4 to high school is required in all PACEs before a student is permitted to proceed to the next PACE. Each subject consists of 12 PACEs and requires the completion of these 12 PACEs per subject for one year.

The individualized, self-instructional, mastery-based approach enables students to absorb subject material according to their own learning ability rather than being pushed forward or held back by their age.

On the other hand, the educational system under the Department of Education follows the K-12 Basic Education Curriculum. The Department of Education describes these developmental domains as "specific aspects of growth and changes in children" that are interconnected. The contents of each development domain are defined by learning expectations. There are seven developmental domains including: Socio-Emotional Development, Values Development, Physical Health and Motor Development, Aesthetic and Creative Development, Mathematics, Understanding of the Physical and Natural Environment and Language, Literacy and Communication. Subjects under the K-12 curriculum for grades 1 to 10 include Filipino, English, Mathematics, Science, Araling Panlipunan, Edukasyon at Pagpapakatao, Music, Arts, Physical Education, Health, and Edukasyon Pantahanan at Pangkabuhayan. Mother Tongue is a subject for Grades 1-3.

Specific to Cebu Bob Hughes Christian Academy, the school integrates the subjects Music, Arts and Physical Education, Edukasyon Pantahanan at Pangkabuhayan/Technology, and Livelihood Education and Mother Tongue Based in compliance with DepEd subjects. Other subjects are covered by the core curriculum under SOT System.

In putting a balance between individualized learning and classroom-based learning, students in the Academy work on their PACEs in the morning and have

conventional classes in the afternoon for subjects like Music, Arts, P.E. and Edukasyon Pantahanan at Pangkabuhayan/Technology and Livelihood Education and Mother Tongue Based .

For Senior High School, the Academy follows the senior high school track provided by the Department of Education offering the General Academic Strand (GAS), Science, Technology, Engineering and Mathematics (STEM), Humanities and Social Sciences (HUMSS) and Accounting, Business and Management (ABM). Senior High School is not covered by the SOT System learning approach.

The school maintains a minimum ratio of one teacher for every 15 students.

In addition to the weekly chapel hour, the students are required to attend at least three church related activities in a year such as singing and reciting Scriptures during Missions Conference and Church Anniversary.

ADMISSION POLICIES

Cebu Bob Hughes Christian Academy is a ministry of Bible Baptist Church and was originally founded to serve the educational needs of its members. Because of its vision to develop individuals with strong Christian impact on the community, the Academy expanded its admission to non-church members. The Academy accepts applicants who belong to like faith denominations, on condition that the parents and the child adhere to and follow the standards and policies of Bible Baptist Church and the school.

CBHCA also accepts students who come from other schools using SOT system and from conventional schools that do not have Accelerated Christian Education or the School of Tomorrow System.

The school follows the 12-year education cycle (K-12). These are the RR or Reading and Readiness or Kindergarten 1. The ABCs with ACE and CHRISTI or the equivalent of Kindergarten 2, the basic elementary education of grades 1 to 6; Junior High School consisting of grade 7 to 10; and Senior High School consisting of grades 11 and 12. There are four STRANDS offered in Senior High including General Academic Strand (GAS); Science, Technology, Engineering and Mathematics (STEM); Accounting, Business and Management (ABM) and Humanities and Social Sciences (HUMSS).

For New Students and Transferees

The admission document requirements for new students and transferees are as follows:

Level	**Eligibility Standards**	**Documentary Requirements**

Elementary (Transferees from other schools for grades 1 to 6)	Student may be admitted regardless of age for as long as he goes through diagnostic testing. However, for students to be admitted to grade 1, the child must have completed ABCs or Kindergarten. Otherwise, if the student has not gone through Kindergarten, the child will be diagnosed and seek for approval from DepEd that he can proceed to Grade 1.	1. PSA Birth certificate 2. Form 138 3. Master Record Sheet for students using the School of Tomorrow System 4. Certificate of Good Moral Character from school last attended (not required for students entering grade 1) 5. Kindergarten Certificate of Completion for those entering Grade 1. 6. Vaccination Record
Junior High School (Transferees from other schools seeking admission for grades 7 to 10)	Student may be admitted regardless of age for as long as he goes through diagnostic testing and must have completed grades 1 to 6.	1. Because the system of learning is the School of Tomorrow System from ABCs until Grade 10, all new students and transferees will go through diagnostic testing as an admission requirement. Score results from the diagnostic test become the basis for the curriculum prescription.

The Diagnostic Test may determine the performance levels of a student in one or more PACES. In the event, a student has some weakness or what is also called learning gaps in a PACE, the student may be required to complete certain number of PACES before starting on his new performance level. When the performance level is lower than the student's chronological grade level, he may be allowed to enroll to the next grade level. If a student is a transferee, he is allowed

to enroll to the next grade level based on the recommendation of his previous school. Low performance may also be rectified or cured with a re-diagnosis.

Incoming Senior High students are not required to take the diagnostic exam. They are to submit their report cards for Grades 7-10 to validate the general weighted average. An incoming Senior High student must at least have a general weighted average of 85 percent in Grade 10. The enrollment procedures for new students and transferees are shown in this flow chart:

ACADEMIC RETENTION POLICIES

Retention and promotion in CBHCA is based on:

1. *PACES completed*

2. *Grades for conventional subjects*

Students are required to work on specific number of PACEs per subject in a year. (Refer to the attached PACE Chart, page 22). To move on to the next year level, students must have completed and passed the prescribed number of PACES within their year level. Students must at least have a grade of 88 percent per PACE.

For conventional subjects, students must have a grade of at least 80 percent per subject to be promoted to the next level for each conventional subject.

An Incomplete (INC) in four or more subjects in PACE work is equivalent to being retained in a grade at the end of the year.

Senior High students or students of Grades 11 and 12 may be promoted to the next grade provided they maintain a general weighted average of 80 percent per semester. Furthermore, the student must not have three failing marks in a semester.

For Senior High, retention based on failing marks is on a per subject basis. Any failed subject requires the student to take the failed subject during summer. When the subject is not offered during the summer immediately following the semester for which he failed, options shall be considered in favor of the student such that his timeline for graduation is not curtailed.

Grade 12 students can only qualify to be a candidate for graduation after they have completed and submitted all requirements for each subject including completion of oral and final defense, submission of hardbound thesis and at least 80 hours of Work Immersion based on DepEd Guidelines.

3. *Attendance*

A pupil or student in every private school who incurs absences of more than twenty (20%) percent of the prescribed number of class or laboratory periods during the school year or term should be given a failing grade and given no credit for the course or subject.

Based on DepED Order No. 35, s. 1993 Allowing Student Absences in Excess of 20 Percent in Individual Cases in Private Schools.

CODE OF CONDUCT AND DISCIPLINARY ACTION POLICIES

Bannering the vision to be a dynamic and exciting center for Christian learning, Cebu Bob Hughes Christian Academy develops individuals who will impact communities and the world with the gospel of Jesus Christ. It is the mission of CBHCA to instill Biblical character, truth and wisdom in the lives of students as they are prepared for a life of service to God, their families and their communities.

Discipline is an essential component in maintaining the core values of moral and academic excellence in Cebu Bob Hughes Christian Academy. It is the culture of the school to uphold proper respect for God that produces a culture of peace.

Within the context of the Department of Education, the Academy's vision and mission aligns and conforms with DepEd Order No. 40 series of 2012, entitled Child Protection Policy that provides, *"positive discipline begins with setting the long term goals or impacts that teachers want to have on their students' adult lives, and using everyday situations and challenges as opportunities to teach life-long skills and values to students.*

Cebu Bob Hughes Christian Academy has designed this Code of Conduct concerning infractions and its appropriate disciplinary action as guidelines for Christ-centered behavior in the classroom, on campus and in social media.

An infraction is operationally defined in this handbook as any violation committed against the school policies provided for in this handbook. Offense is defined as anything that the school administration considers as improper and contrary to Christian values. Disciplinary action is an action taken to correct the violation or rectify any improper behavior committed. Disciplinary action may range from: demerits, cancellation of certain privileges, and confiscation of certain items, suspension and withdrawal.

Infractions and offenses are classified into eight clusters. Specifically:

1. Learning center infractions
2. Infractions made on uniform policies
3. Campus infractions
4. Offenses made on persons
5. Offenses made on bringing unsuitable objects
6. Offenses made on school property
7. Offenses related to academic performance
8. Offenses related to social media

Uniform and Appearance Policies

Because the mission of the school is to instill Christ-centered lifestyles, the fashion or manner of dressing that a student wears must reflect modesty. On campus, CBHCA female students from elementary to Senior High are not allowed to wear skirts or dresses above the knee, sleeveless shirts and blouses, and other manner of apparel displaying areas of the body that would be construed with sensuality. CBHCA male students are not allowed to wear body hugging shirts. Off campus, the school reminds students that they represent the school and should dress appropriately.

A. Hair
   1. Students are not allowed to dye or color their hair.
   2. Prescribed male haircut is off the collar, off the ear and off the eyebrows. Hair must be proportionately cut.
   3. Female students must keep their hair tidy.

B. Decorative Items and Jewelry
   1. Male students are not allowed to wear earrings.
   2. Students are not allowed to wear bracelets in school, except the school-issued baller.
C. Tattoos and body art Tattoos and body art are prohibited.
D. Make-up is prohibited. Only Natural colored nail polish.
E. Uniform

Disciplinary Action ranges from demerits, community service, confiscation, suspension and withdrawal. Infractions and offenses that entail disciplinary action of suspension to withdrawal shall undergo an investigation by a specially constituted body.

For offenses on a demerit level, disciplinary action shall be handled by the Supervisor.

For offenses constituting a suspension level, there will be a brief interview with the supervisor and written confession of the student. The Supervisor shall also submit a written incident report that includes a recommendation for the nature of the disciplinary action. There shall be a brief interview and conference with the Administration together with parents, Supervisor and student. Parents shall sign the Disciplinary Action Notice. For infractions involving cheating, PACEs will be surrendered. The academic work in question will have to be redone.

Enclosed is a matrix of offenses and its appropriate Disciplinary Action. Penalties for suspension and withdrawal are under the discretion of the Administration. Two consecutive detentions for the same offense is given a one day suspension.

School starts precisely at 7:30am with flag ceremony. Students who are tardy forfeit the privilege of entering the campus for the day, including participating in extracurricular activities. Legitimate appeals must be made with the parent to the Administrator's office.

CBHCA is a gadget-free campus. All gadgets will be confiscated. Gadgets can be destructive to the school's desired culture. Gadgets tend to become tools for cheating, pornography and other unhealthy activities. Generally, gadgets are a distraction.

When a student is caught using the gadget, he/she will be asked to open it immediately. If the student refuses, the gadget will be confiscated, the parents will be called and the student will start the suspension immediately.

The Administration further reserves the right to determine the nature of disciplinary action for infractions not provided for in the matrix of offenses. Students are expected to abide by a standard of conduct that is consistent with Christian values found in God's word. An offender may appeal the meted disciplinary action to a specially constituted Review Committee.

Therefore, absence from the Learning Center forfeits participation in extracurricular activities for the whole day and the evening. Students involved in extracurricular activities are made to place priority on their academics. Among the extracurricular activities that a student may join, are the National Student Convention (NSC), the Junior Student Convention (JSC), and the CESAFI. Students joining the NSC must have completed a minimum of 60 PACES. Students joining the JSC must have completed a minimum of 72 PACES.

School Of Tomorrow (SOT) Procedures Manual. Volume 1, p. 141 cautions students from engaging in too many extracurricular activities that will take students from their PACE work. Afternoon is for completing PACE work, then enrichment learning.

PANATANG MAKABAYAN

Iniibig ko ang Pilipinas

Ito ang aking lupang sinilangan

Ito ang tahanan ng aking lahi

Ako'y kanyang kinukupkop at tinutulungan

Upang maging malakas, maligaya at kapakipakinabang

Bilang ganti, ay diringgin ko ang payo ng aking mga magulang

Susundin ko ang mga tuntunin ng aking paaralan

Tutuparin ko ang mga tungkulin ng isang mamamayang makabayan at masunurin sa batas

Paglilingkuran ko ang aking bayan nang walang pag-iimbot at ng buong katapatan

Sisikapin kong maging isang tunay na Pilipino sa isip, sa salita, at sa gawa.

NATIONAL ANTHEM

"Lupang Hinirang"

Bayang magiliw,
Perlas ng silanganan,
Alab ng puso
Sa dibdib mo'y buhay.

Lupang hinirang,
Duyan ka ng magiting,
Sa manlulupig
Di ka pasisiil.

Sa dagat at bundok,
Sa simoy at sa langit mong bughaw,

May dilag ang tula
At awit sa paglayang minamahal.

Ang kislap ng watawat mo'y
Tagumpay na nagniningning;

Ang bituin at araw niya,
Kailan pa ma'y di magdidilim.

Lupa ng araw, ng luwalhati't pagsinta,
Buhay ay langit sa piling mo;

Aming ligaya na 'pag may mang-aapi,
Ang mamatay nang dahil sa iyo.

PANUNUMPA SA WATAWAT NG PILIPINAS

Ako ay Pilipino,

Buong katapatang nanunumpa sa watawat

ng Pilipinas,

At sa bansang kanyang sinasagisag,

Na may dangal, katarungan at kalayaan,

Na pinakikilos ng sambayanang

Maka-Diyos, Maka-kalikasan, Maka tao at

Maka bansa.

PLEDGE OF ALLEGIANCE TO THE CHRISTIAN FLAG

I pledge allegiance to the Christian flag and to the Saviour for Whose kingdom it stands; one Saviour, crucified, risen, and coming again with life and liberty for all who believe.

PLEDGE TO THE BIBLE

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its words in my heart, that I might not sin against God.

CEBU BOB HUGHES CHRISTIAN ACADEMY SONG

We are for truth and right and loyalty
We live by the golden rule
We start each day in a right way
With prayer and praise to God
We love the Philippines
We're glad to be free

We'll do our best to hold our banner high
We love A.C.E.

Our staff and pastor and the principal
Are very important friends

The Bible our guide will be
Come join us now we found a better way
We love B.H.C.A.

THEME SONG

"Do Right"

From the very start
Have purpose in your heart
To do what's right and never question why
Never count the cost though everything seems
Lost
The price for doing right is sometimes high

Chorus:
Do right 'til the stars fall
Do right 'til the
Last call
Do right when there's no one else to stand by you
Do right when you're all alone
Do right though it's never known
Do right since you love the Lord
Do right, do right

Right is always right and wrong is always wrong
and we must learn to separate the two
If you love the right
The Lord will
Give you light
To seek the right in everything you do
(Repeat)
