Hello Maam Nacua,

The total amount for S.Y. 2021-2022 is 38,976. Will deduct the excess of 3,531 so it will be 35,445.

For your information maam, if you will pay full this month you will have a discount of 2,200. So it would be 33,245.

Appreciate your fast response.

Noted on the P2,100 which is for FY 2019-2020.

Would you be able to advise the total amount that we will need to pay for FY 2021-2022 ma'am so we can proceed to make the necessary payment to proceed with the enrollment?

We plan to pay the entire year.

Thank you .

Hi Maam Nacua,

I have checked those attachments you've sent. The amount 2,100 is not for the S.Y. 2020-2021. It was the last payment for S.Y. 2019-2020. So the total amount you've paid for S.Y. 2020-2021 is 38,631 and as I have checked again the account your total payment only is 35,100. You have an excess amount of 3,531 and we could deduct this for the next school year 2021-2022. Sorry if I forgot to inform you about this.

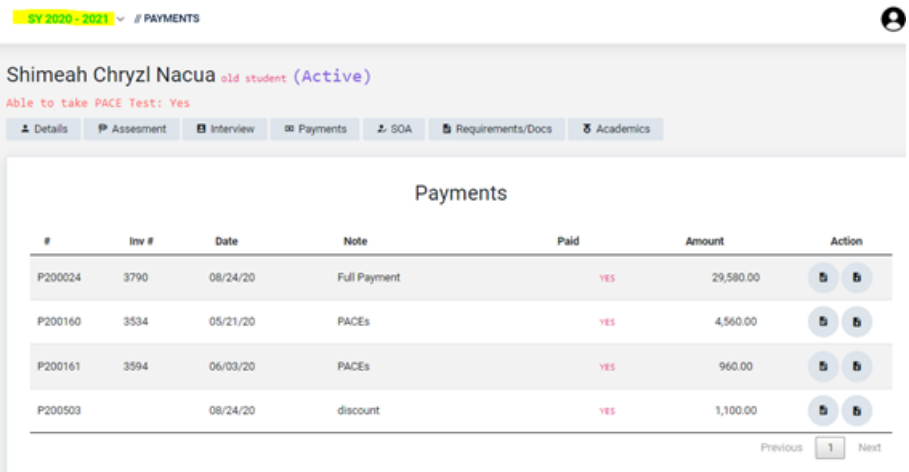
As per Ma'am Melvie Abejar's advice, also included in the cc loop, we are writing this email regarding our query to the payment we made for last school year FY2020-2021 before we make payment for FY2021-2022.

We are the parents of Shimeah Chrzyl Nacua, who will be entering Level 6 this coming school year FY 2021-2022.

We have checked the portal for FY2020-2021 and the payment history showed that the total payment made is only P35,100. Please refer screenshot taken from the portal (also attached the screenshot):



However, based from our bank records, the total payment we made for FY2020-2021 is P40,731. Please refer attached screenshot for your reference.

Would you be able to advise on this ma'am.

Greatly appreciate your assistance in this matter.

Sincerely yours,

Leilani Nacua
